Non-Industry-Based Declaration	I hereby certify that the declaration, as stated below, is true and correct.* NON-INDUSTRY-BASED DECLARATION ***I am not presently employed by an Industry-based organization. I am a current / former scientist / regulator from a food regulatory agency; or,*** ***a current / former scientist of an academic / research institution or service provider (certification / software and programming corporation).***
Class of Membership Sought	Class B or Non-Affiliated Membership
Initiation of Membership Request	Independent Application
Your Affiliation (Organization / Network)	Laval university
Current Position Related to Food Regulatory Science	Master student of food science and technology
Previous Position(s) Held (if applicable)	Bachelor student of food sciences and technology
Professional Address	2325 Rue de l'Université, Québec, QC G1V 0A6
Name	Meriem Oulad Heddar
Contact Email	meriem.oulad-heddar.1@ulaval.ca
Contact Number	+1 418 509 2043
Additional Details (Please provide your rationale for seeking membership to GFoRSS. If you were invited to join, please indicate by whom)	Being a food scientist, I believe that our regulatory decisions related to the food sector in its all fields must be held on solid bases, Aiming to invest in the future, by helping to ensure consumers with having access to safe food through solid food safety control systems, and through a sustainable environment for food producers. Also, we have a part of the responsibility, in providing food for the next generations, by searching for proper safe alternatives, my rationale is to contribute to this system, seeking to share expertise, learning from the proficiencies, and spreading knowledge.
