The agenda will focus on reviewing the accomplishments of the organization and discussing how GForSS can continue to plan its growth.

Proposed amendments of the By-Laws of GForSS were discussed with the following motions made:

The following paragraphs of the By-Laws are amended with the text proposed:

➤ **Update to Para 6 – Membership / 6.1.**

Addition of para c): **other professionals working in fields related to food regulatory science and possibly affiliated to regulated food industry**, upon recommendation of the Board of Directors through a special resolution.

➤ **Update to Para 9 Directors:**

Addition of provision 9.3:

**A Director of GForSS holding an officer position or not, ceases holding the position of Director automatically, upon notice by the Board that he or she has been absent with no regrets and notification to the board for three consecutive meetings of the Board.**

No notification will be warranted to the member of the board ceasing to be a board member.

The member may continue to be affiliated member of GForSS until the end of the term of his/ her membership and keeps all rights attributed to affiliated members, including to be candidate for a Director Position, when a position is made available and open to be filled.

The motion to adopt these amended provisions of the by-laws was approved unanimously.

#### I. Other Items - Motions

Considering previous activities of GForSS with the signing of various agreements between GForSS and other bodies and in accordance with the bylaws of the organization, the board agreed to table motions agreeing to these agreements a posteriori, considering that their development was made in full agreement and with the complete consultation of the board.

The board approved unanimously the following motion:

➤ Members of the Board Authorize the Board President and Chief Operating Officer of GForSS, Prof. Samuel Godefroy to sign Memorandum of Understanding with the following Organizations, and remove the obligation of the requirement of signature by Two Officers / members of the board stipulated in the GForSS Statues (para 1.3), for the following agreements:

- MoU with the Ministry of Health, Lebanon
- MoU with the Ministry of Agriculture (LVV) and the Institute of Food Safety, Suriname (NIVS)
