# Overview

The Global Food Regulators Summit is an endeavour of Food Safety and Standards Authority of India (FSSAI), Ministry of Health and Family Welfare to create a platform of food regulators to exchange perspectives on strengthening food safety systems and regulatory framework across the food value chain.

The Food Safety and Regulatory Ecosystem needs to be constantly adapted to the emerging food hazards, new technologies, pandemic scenarios and ever evolving consumer needs. While there is evolution of food safety and regulatory framework across the globe, it is also extremely important to foster harmonisation of these policies to enable exchange of knowledge for building strategies to ensure safety and quality and provide safe food for all.

## Focus Area

Enable dialogues on

- ◆ Innovation in Global Food Regulatory Framework
- ◆ Antimicrobial Resistance
- ◆ Best Practices on Robust Standards Setting Framework
- ◆ Role of Animal Feed in Ensuring Food Safety
- ◆ Global Trends in Handling of Food Emergency and Traceability
- ◆ Ensuring Food Safety and Nutrition for All

## Expected Outcomes

- Enabling a cohesive network on food safety and regulatory aspects.
- Enabling Effective Understanding of Compliance requirements and mutual exchange of best practices, experiences and success stories on food safety norms/regulations.
- Explore opportunities to identify collaborative work areas to establish synergies among global regulators / organizations / agencies.
